## Certificate of Appreciation

It gives me great pleasure to inform that MPOne team has successfully launched the portal for RPL project being implemented by MPCVET. The portal was completed within a very short span of time and has assisted the department in implementing the project successfully.

We will like to add that the portal provides a professional look and is easy to use. Apart from this, we found the MPOne team as very responsive to the needs of the department and team.

On behalf of MPCVET, I would like to extend my appreciation to MPOne team, led by Mr. Dhiraj Chouksey for developing this portal. We will also like to recognize the support provided by Mr. Ashish Singh, Mr. Shishir Agarwal and other team members of MPOne.
